ABOUT US

Cotton Shades is a global distributor of high-quality home and bath textiles, serving international markets for over a decade. Since our inception, we have focused on continuous growth, modernization, and innovation to expand our product range and meet evolving market demands.

Our commitment to quality, consistency, and reliability has enabled us to build long-term partnerships across global markets. Today, Cotton Shades is recognized for delivering textiles that meet both refined aesthetic expectations and rigorous performance standards.

OUR PRODUCT RANGE

Terry Towels

Bath Towels

Face Towels

Kitchen Towels

Bar Mops

Bathrobes

Shop Towels

Wash Cloths

Beach Towels

TERRY TOWELS

Premium cotton terry towels with excellent absorbency, softness, and durability. Cotton Shade terry towels are crafted from premium cotton yarns with a soft pile construction that delivers excellent absorbency, long-lasting durability, and a smooth hand feel. Designed for everyday use in homes, hotels, and institutions, these towels are easy to care for, machine washable, and retain their performance and comfort over time.

- **Soft pile**
- **Easy care**
- **Long-lasting**

BATH TOWELS

Plush bath towels designed for luxury and performance. Our bath towels are designed to provide everyday luxury with a plush, thick texture that absorbs moisture efficiently while drying quickly. Made to maintain softness even after repeated washing, Cotton Shade bath towels are ideal for residential bathrooms, hotels, and spa environments where comfort and reliability matter.

- **Thick & soft**
- **Fast drying**
- **Retains softness**

FACE TOWELS

Gentle and lightweight towels for daily personal care. Cotton Shade face towels are lightweight, gentle on the skin, and perfect for daily personal care. Their soft, skin-friendly texture combined with quick-drying performance and neatly stitched edges ensures durability, hygiene, and long-term usability for families, salons, and hospitality settings.

- **Skin-friendly**
- **Quick drying**
- **Durable edges**

KITCHEN TOWELS

Highly absorbent cotton kitchen towels for everyday use. Our kitchen towels are made from highly absorbent cotton fabric with a strong, durable weave suitable for frequent use. Designed for efficient drying and wiping, they perform reliably in both commercial and home kitchens while maintaining their structure and absorbency over time.

- **Strong weave**
- **Commercial & home use**

BAR MOPS

Heavy-duty towels designed for restaurants and bars. Cotton Shade bar mops are heavy-duty cotton towels developed for professional environments such as restaurants, cafés, and bars. With strong absorbency and durable construction, they are ideal for handling spills, wiping surfaces, and repeated washing without compromising performance.

- **Strong absorbency**
- **Durable cotton**

BATHROBES

Soft and comfortable terry bathrobes for relaxation. Our bathrobes are produced from soft terry fabric that offers excellent absorbency, breathability, and comfort. Designed for relaxation and warmth after bathing, Cotton Shade bathrobes are well-suited for hotels, spas, resorts, and premium home use.

- **Absorbent**
- **Ideal for hotels & spas**

SHOP TOWELS

Durable, highly absorbent shop towels engineered for industrial environments, workshops, automotive facilities, and maintenance operations.

Manufactured using premium cotton and blended yarns, these towels offer excellent lint control, strength, and reusability, making them suitable for heavy-duty cleaning, wiping, and polishing applications.

WASH CLOTHS

Soft yet resilient wash cloths designed for hospitality, healthcare, and institutional use. Produced with controlled GSM and superior absorbency, our wash cloths maintain softness, color fastness, and structural integrity even after repeated industrial laundering. Available in multiple sizes, colors, and finishes to meet diverse customer requirements.

All utility textiles can be customized in terms of fabric composition, GSM, size, color, and packaging to align with client specifications and end-use demands.

BEACH TOWELS

Vibrant and lightweight towels for outdoor and poolside use. Cotton Shade beach towels are lightweight yet highly absorbent, making them perfect for poolside, beach, and outdoor use. Available in soft terry or velour finishes, they are colorfast, comfortable, and travel-friendly while maintaining a smooth and plush feel.

- **Soft finish**
- **Colorfast**

Social RESPONSIBILITY & COMPLIANCE

Social responsibility and ethical business practices are central to Cotton Shades' operations. We are committed to maintaining high standards of workplace safety, ethical conduct, and environmental responsibility across all levels of our business.

Our processes align with internationally recognized compliance frameworks, ensuring responsible sourcing, sustainable operations, and adherence to social and environmental best practices.

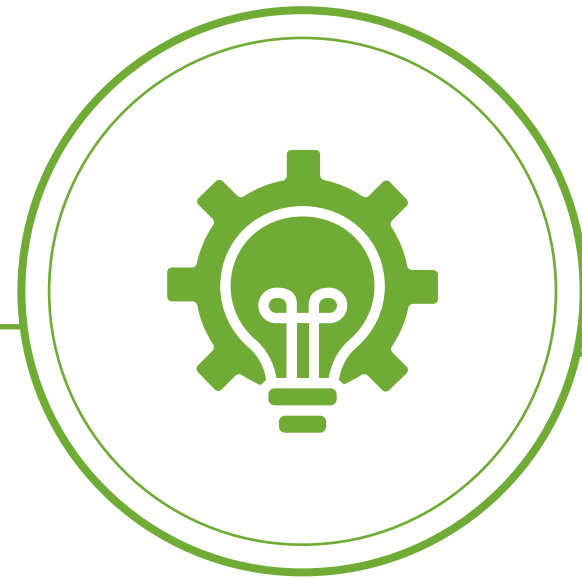

GLOBAL PRESENCE

Cotton Shades serves clients across key international markets, including North America, Europe, and the United Kingdom. Our strong distribution network and strategic logistics capabilities enable us to efficiently meet regional demands while maintaining consistent quality standards.

With a customer-centric approach and a reliable global supply chain, Cotton Shades has earned a reputation as a trusted textile distribution partner worldwide.

OUR CORE VALUES

Innovation

We continuously enhance our processes, materials, and designs to deliver value-driven textile solutions.

Environmental Responsibility

We are committed to sustainable manufacturing practices that contribute to a healthier environment and a better future.

Client-First Approach

Our customers are at the center of everything we do, from product development to delivery.

Ownership & Accountability

We take responsibility for our vision and remain committed to delivering on every promise we make.

CREATIVE STUDIO

Our in-house **creative studio**, equipped with advanced CAD-CAM systems, plays a vital role in product development. The studio works in direct integration with terry and woven jacquard looms, transforming design concepts and customer illustrations into finished fabrics and towels.

Our experienced textile and graphic designers continually develop fresh concepts and collections, enabling Cotton Shades to remain responsive to evolving market trends.

Home TEXTILES

Cotton Shades' home textile collection is designed to meet the highest standards of comfort and craftsmanship. Our range includes:

Our commitments include

- Bed sets, duvet covers, throws, cushions, pillow shams
- Curtains, sofa covers, table covers, runners, placemats, and napkins
- Comprehensive health and safety protocols across all facilities

Available weaves include plain, dobby, jacquard, satin, percale, and duck, produced in cotton, polyester, and blended fabrics. Thread counts range from T-120 to T-600+, with GSM options from 130 g/m² to 400+ g/m².

Special finishes such as anti-bacterial, crease-resistant, water-repellent, flame-retardant, coating, and mercerizing enhance durability and functionality.

Institutional **TEXTILES**

Designed for hotels, hospitals, restaurants, spas, and healthcare facilities, Cotton Shades' institutional textiles combine luxury with long-term performance.

Our hospitality range includes

- Terry towels, sheet sets, quilts, napkins
- Damask and satin stripe fabrics in various yarn counts and weave structures

These products are engineered to withstand repeated industrial laundering while maintaining comfort, appearance, and hygiene standards. Optional functional finishes further enhance durability and ease of maintenance.
